

# Audouins Gull

Gayton Marina

£52,950

A 66ft 2007 ABC Leisure Group 6 berth cruiser stern narrowboat. Available end October 2024.

Audouins Gull is an ex-hire boat that has been maintained and serviced as part of the ABC Boat Hire fleet since built in 2007. This boat also offers a popular reverse layout, with the dinette and galley at the stern of the boat and bedrooms at the middle and bow.

As you descend through the cruiser stern, you come to the dinette. This consists of a table and seating area, which can be conveniently converted into a double bed.

The galley is equipped with a sink unit, oven with hob and grill, under-counter fridge and plentiful storage which makes this boat fantastic for longer cruises.

Following the galley is the first of 2 bathrooms, which is equipped with shower, washbasin and a pump out WC. There follows a dedicated bedroom cabin which accommodates either a double bed or 2 singles.

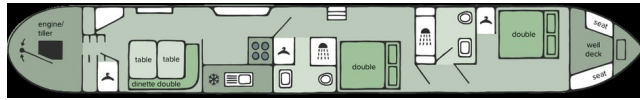

The second bathroom has a hip-bath with shower over, washbasin and a second pump out WC.

Finally there is another bedroom cabin which has the flexibility of either a double berth or two single berth layout. There is also additional storage within this cabin.

Steps lead up through double doors to the bow, which has seating on either side.

To book a viewing, please contact Gayton Marina on 01604 858685 . Viewing times will be limited to changeover days and subject to hire periods.
