

Bali Hai

Gayton Marina

£45,000

A 57ft 1991 John Deblin 2 berth traditional stern narrowboat.

A very well presented and equipped narrowboat, equally suitable as a holiday home or live-aboard.

Bali Hai was fitted with new anodes in 2022 and was blacked in June 2024. She is also in possession of a Boat Safety Certificate, valid until May 2025.

The traditional stern has double doors leading into the engine room or 'Boatman's cabin'. A single door then opens into a very useful utility room with plumbed-in washing machine and storage.

Moving into the living accommodation, there is a fixed double berth and wardrobe, followed by a bathroom that has a cassette toilet, washbasin, hip bath with shower overhead and storage cupboards.

The galley is particularly pleasing with built in hob, eye-level oven, fridge, sink with drainer and plentiful storage space.

Finally a comfortable saloon is furnished with easy chairs, cupboards, a solid fuel stove and double doors leading out on the bow deck which has seating to either side, an A Frame and cratch cover.

Bali Hai has ingenious extra storage cupboards running along the internal walls, and 2 side hatches for plenty of fresh air in warmer weather!
