

# Bliss

Nantwich Canal  
Centre

£65,000

A 60ft 2010 Stuart Hodges Boatbuilder 4 berth traditional stern narrowboat.

Built for the current owner in 2010, this beautifully presented narrowboat oozes class with her high-quality fittings throughout and a design which makes optimum use of the space available.

The exterior is painted in a sleek grey and red colour scheme with white piping. Bliss was blacked in 2023.

Entering the boat via the larger-than-usual rear hatch, the headroom inside is a generous 6ft 3ins.

The first living accommodation is a large Pullman-style dinette, which can be converted to provide a double bed. A large wardrobe with drawers is fitted within this space.

Moving forward, the tiled walk-through bathroom is fitted with large shower cubicle with glass screen, washbasin/storage unit and toilet.

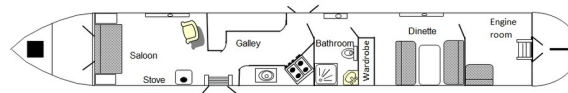

The galley is simply gorgeous, with curved wooden units topped with easy-to-clean grey worktops, an inset Belfast sink, integral oven and hob plus under-counter fridge. There are side hatches to either side of the boat, providing for plenty of ventilation when cooking.

The forward cabin is a saloon area housing a solid fuel stove and a large settee unit which converts to provide a second double bed if required.

A copy of the original Declaration of Conformity and current Boat Safety certificate will be provided with the sale.

We think this boat will generate a lot of interest! To make an enquiry or arrange to view, please contact Nantwich Canal Centre on 01270 625122.
