

Brand New Narrowboat

Alvechurch Marina **£133,950**

Swift class - a 49ft Alvechurch Boat Centre 4 berth cruiser stern narrowboat.

This is a great opportunity to purchase a newly built narrowboat, configured in the same style as an ABC hire fleet boat!

The Swift is in the popular 'reverse layout' which means the galley is towards the stern. The galley comes fully equipped with 4 burner gas cooker complete with grill and oven, refrigerator, sink and drainer, work surfaces and storage space.

Next there is a comfortable saloon/dinette area. The seating area in the saloon can be converted into a double bed in the evening, if required.

Following on from this is the bathroom with wash basin, flush toilet, and shower. There is also a 240v shaver socket.

The final cabin is the bedroom. This can be set up with one double bed or two single beds. There is a wardrobe for storing clothes in this cabin.

Steps then lead onto the bow deck that has seating and a removable table.

If our green and red livery is not to your taste, you can choose the external paintwork colour. All that would be left would be to choose the name!

Other ABC class configurations will be available. For further enquiries and lead times, please contact us on 0330 333 0590.

New boat builds viewing by appointment.

Additional information

Interior sundries

Stereo radio/CD player with multi speaker system and USB input. Secure box. 12 volt high and

low level LED lighting throughout. Flotex carpet to all areas except Galley and Showerrooms

where Polysafe vinyl flooring is fitted. Curtains to all windows. USB charging point in all

cabins. Approved smoke and CO alarm.

Safety and Navigation Equipment

Bow, stern and side fenders and three mooring lines. Three fire extinguishers and a fire

blanket fitted internally. A long pole, short pole with boat hook fitted to the roof brackets.

Additional equipment includes three windlasses, three mooring spikes, two lump hammers and a water hose.
