

Bullock Smithy

Gayton Marina

£20,000

A 30ft 1983 Brummagen Boats Ltd 2 berth traditional stern narrowboat.

Bullock Smithy is a charming compact narrowboat, perfect for navigating the twists and turns of the waterways!

She is painted in a smart navy blue livery with cream coach-lines, with a matching cratch cover over the bow. Bullock

Steps from the traditional stern lead you down into the galley. This comes equipped with a 2 burner hob and oven, a tiled worktop, sink and drainer and an undercounter fridge. There are also cupboards under the worktop for storage.

Off the galley there is a WC with a cassette toilet and a shower.

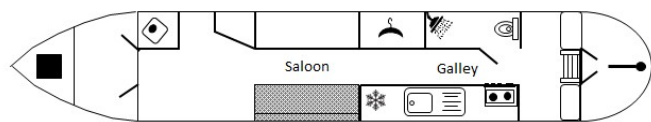

Past a good sized storage cupboard is the saloon. This is fitted with a sideboard, seating that folds out into a double berth and a lovely little solid fuel stove.

Double doors lead out onto the bow deck that has bench seating on either side.

With her wooden panelled interior, Bullock Smithy is well worth taking a look at!

Smithy was last blacked in April 2023 and a Hull Survey took place in April 2023.
