£55,000

A 58ft 2004 G + J Reeves 4 berth cruiser stern narrowboat

Deja Vu is a well presented narrowboat which offers everything you need for your adventure on the waterways.

Entering the stern area you will find a small bench and the tiller which is sheltered by a cratch cover.

Stepping into the boat you will find a utility area which has a washing machine, tumble dryer, some storage space and a work surface for your washing.

To your right you will find the gauge dials and the control panel for operations inside the boat.

Into the next cabin you will find the bedroom which has a double bed, some chest of drawers, a mirror and a full sized wardrobe. The bed itself can be extended to 4ft 9inches with the wider bed extension.

Before you reach the galley you will find a shower room with a Thetford cassette toilet, a shower with a glass screen and a wash basin with storage underneath.

The galley area has all you need to present a home cooked meal for your friends and family.

You will find a Vanette cooker which has a grill and oven compartment, a 4 burner gas hob, a sink with drainer and a Shoreline fridge. There is plenty of room for all your utensils with the 8 storage cupboards on offer.

Following into the saloon you have a L shaped sofa which can convert into a temporary double bed for your guests. There is a side hatch for the summer days and a diesel stove for those winter months. You will find a TV and plenty of shelving for your photos and ornaments.

Finally, the bow area gives you space to host with its sheltered cover, 2 comfy benches and a fold down table.

There are 3 solar panels on the roof 2x 120 watt and 1x 400 watt.
