

## Hope Valley

Aldermaston  
Wharf

£49,950

A 46ft 2009 Springwood Haven 4 berth semi-traditional stern narrowboat.

Originally part of a hire fleet, Hope Valley is a very attractive narrowboat that has undergone several improvements during her time in private ownership.

Painted in a smart grey livery, Hope Valley has solar panels and was blacked and had new anodes fitted in November 2023.

Stern steps lead into a very spacious saloon area containing a double dinette (newly fitted in 2015), TV cabinet, solid wood flooring, large radiator and attractive 'porthole' windows on either side. The Dinette can be converted into extra berths, if required.

The galley is sleek and stylish with glossy black worktops and splashbacks, integral oven and hob, microwave, fridge, double sink and plenty of cupboard space.

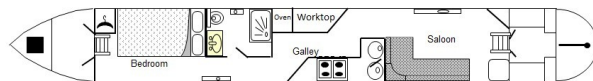

The bathroom is similarly smart looking with its black marble-effect tiling, modern sink and vanity unit, pump out toilet and shower cubicle. There is an overhead storage cabinet and a handy radiator in here.

At the bow of the boat is a fixed double berth with carpeted floor and storage cupboard at the foot of the bed. Double doors lead out to the bow.

Hope Valley has a Boat Safety Certificate, valid until December 2025

We 'hope' that this boat is exactly what you have been looking for.
