

Jack of Diamonds

Blackwater
Meadow Marina

£36,500

A 50ft 1981 Mike Heywood 2 berth traditional stern narrowboat.

This 50ft traditional stern narrowboat is painted in red and black to reflect its name.

Stepping down from the stern you enter into the traditional boatman's cabin which then leads you straight into the Engine room.

The engine room has been modernised with white washed walls and red features.

The white interior continues into the bathroom where you will find a full sized shower, a basin and a cassette toilet.

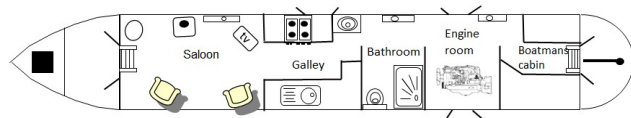

Onto the galley area which features dark grey work surfaces, white storage cupboards, a round shaped sink and a Hotpoint cooker. All you need for entertaining.

The saloon area has a beautiful pine board interior which enhances the space. The main feature of the saloon has to be the wood burner that has been placed on top of some Aztec tiles. Plenty of space to fit a couple of chairs or even a sofa bed.

At the bow of the boat there is a door that leads to some extra storage space if needed.

Last Hull blacking was August 2022.
