This beautiful Lady with her stunningly presented interior would make the perfect floating home or for luxurious holidays on our wonderful canal network.

Painted in a striking bright navy livery with matching covers, Lady Kerenza comes with a Boat Safety Certificate, valid until February 2026.

Entering from the stern is the bedroom cabin. This cabin, with its stylish porthole style windows, has a double bed with storage underneath. There is also cupboard storage and a full length mirror.

Next along is the bathroom. This is fitted with a cassette toilet, wash basin and a tiled shower cubicle.

The galley follows this. This is sleekly designed with a U shape work surface. This comes equipped with a oven, 4 burner hob, sink and drainer and an undercounter fridge freezer. There is plenty of cupboard storage and worktop space. There is also a side hatch for extra ventilation.

The final area is an open plan dinette and saloon area. The dinette is in a Pullman style that can be converted into a double berth if required.

The saloon is a light airy space fitted with a large L shaped sofa that can be converted into a double berth, a storage cupboard and an Acorn 4 Multi fuel stove.

In addition to the stove, Lady Kerenza has central heating throughout.
