

## Lindisfarne

Anderton Marina

£46,995

A 60ft 1996 R&D Fabrications 4 berth traditional stern narrowboat.

Lindisfarne is an immaculately presented traditional stern narrowboat whose strategically planned, warm wooden interior really does make the most of its space.

Painted in an elegant grey and black livery, Lindisfarne was just given a new blacking in April 2024 and has a newly issued Boat Safety Certificate, valid until May 2028.

As you enter from the stern there is a tidy boatman's cabin and engine room, perfect for storing all the boat paraphernalia you could possibly need.

Steps then lead you down to the bedroom. This has a cleverly designed L shaped wardrobe and a fixed double bed. Additional storage can be found in the shape of underbed drawers.

Next along is the bathroom. This is fitted with a glass screened shower cubicle and a wash basin. There is also a cassette toilet that can be stowed away in the cupboards under the basin unit.

The galley follows this. This comes equipped with a full size cooker and 4 burner hob, a sink and drainer, undercounter fridge and a washing machine. There is also plenty of worktop space and an abundance of storage space with over and under counter cupboards and a large floor to ceiling cupboard.

Last cabin along is the saloon. This has a kerosene powered stove, storage cupboards, an easy chair and 2 sofa style seats that can be converted into a double bed, if and when required. Steps then lead you out onto a cratch covered bow deck.

In addition to the stove, Lindisfarne has central heating throughout.

You really wouldn't want to miss this particular boat! To arrange a viewing or for further information, please contact Anderton Marina on 01606 79642.
