

Lucifer

Alvechurch
Marina

£15,000

A 65ft 1996 Club Line Cruisers 2 berth traditional stern narrowboat.

Lucifer is an ideal 'fixer-upper' just waiting for someone to administer a little TLC.

A generously sized boat with good basic facilities - a double bedroom, bathroom with shower fitment, toilet and washbasin, a good sized kitchen, a middle cabin which could be a second bedroom or a dining room, and a large saloon with a solid fuel stove.

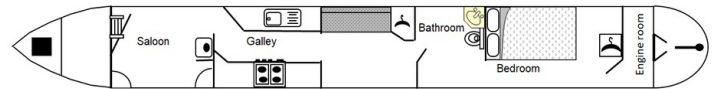

All in all Lucifer is an ideal project for someone and has the potential for a very handsome live aboard.

As a Broker, our understanding is that this vessel should have been built and correctly CE marked to satisfy the requirements of the Recreational Craft Regulations but no such proof has been provided.

You should satisfy yourself of any subsequent implications and are advised to seek further advice should you see fit as there could be implications for the future saleability or value of the vessel.
