

## Marley

Alvechurch  
Marina

£28,000

A 52ft 1992 Eastwood Engineering 4 berth traditional stern narrowboat.

An opportunity to purchase a traditionally designed narrowboat with a Boat Safety Certificate valid until 2028. Marley is decorated and furnished internally in neutral colours, giving a new owner great scope to install their own furnishings and colour scheme.

A traditional stern leads to the engine room, which is followed by a bedroom cabin, currently furnished with a cross-bed double base and some drawer/storage units.

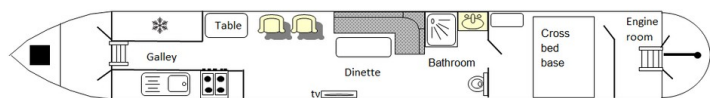

The walk-through bathroom has a shower cubicle, washbasin and cassette toilet, with a door leading through to the main living space.

With heat provided by a solid fuel stove, there is a saloon area with a good sized double dinette, easy chairs, a dining table and a wall-mounted tv.

Finally the galley has units to either side of the boat with ample storage cupboards, a full-sized oven and under counter fridge.

Steps lead up to the bow deck which has an 'A' frame fitted to it.
