

Onion Bargee

Hilperton Marina

£35,995

A 40ft 1998 Liverpool Boats 4 berth cruiser stern narrowboat.

Onion Bargee is a nicely presented and attractive boat with features typical of its age. In 2023 she had a new engine and a new central heating system fitted

The cruiser stern has a smart navy blue cratch cover to protect the helmsman from the elements. This contrasts perfectly with the blue and red livery. There is also smart gold detailing around the boat windows.

Entering the boat from the stern deck is a compact galley with everything you need. On one side is a stainless-steel sink and drainer and beneath the worktops there are cupboards and drawers.

The galley is equipped with gas oven and hob, a 12v fridge and also a microwave.

A corridor leads forward and to one side of this is the WC with electric pump-out toilet, large shower tray and ceramic hand basin.

The forward end of the boat is open plan with plenty of seating, perfect for entertaining and get togethers.

The larger seating area has an ingenious arrangement for closing one area and being set up as a semi-permanent sleeping berth.

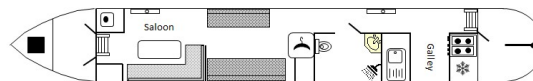

The dinette has seating for 4-5 people around the dining table and this can also be converted to a double or single bed when required.

At the front of the boat to one side is a TV cabinet and the opposite corner the solid fuel stove.

Double doors lead onto the front deck.

Onion Bargee comes with a Boat Safety Certificate valid until March 2025.
