

## Ottawa

Fenny Marina

£53,950

A 57ft 8ins 2003 Stenson Boatbuilders 6 berth semi-traditional stern narrowboat.

Ottawa has been in the loving care of her current owners for over 15 years and is an extremely well-presented narrowboat with a host of extra features, making her equally suitable as a holiday home or live-aboard.

Painted in a smart Oxford Blue livery with red coachlines, the boat comes equipped with Titan canopies (fitted in 2022) to both stern and bow, together with 2 x 100w solar panels to the roof.

A semi-traditional stern is followed by steps leading into the bedroom. This is furnished with a fixed double berth and ample storage space.

Moving forward through the boat, the bathroom has a hip bath with shower overhead, a macerator toilet, washbasin and Beko 6kg washing machine.

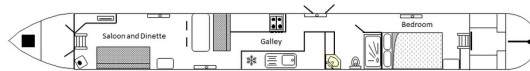

The walk-through galley is well equipped with work surfaces to either side, and has a full sized oven, grill and hob, under counter fridge, microwave oven, sink and drainer, and both a Houdini hatch and a side hatch for extra ventilation if needed.

Offering a possible 2 extra double beds for guests, there is a very pretty dinette with seating followed by a saloon area with double sofabed. As well as central heating radiators throughout the boat there is a diesel Bubble stove in the corner by the bow doors.

Steps lead up and through double doors to the bow deck which has an 'A' frame to support the canopy and bench seating.

Ottawa was blacked in 2024 and has a current Boat Safety Certificate, valid until 2027. Viewing is highly recommended to fully appreciate the facilities this boat has to offer.

To make an enquiry or arrange a viewing please call 01527 876438.

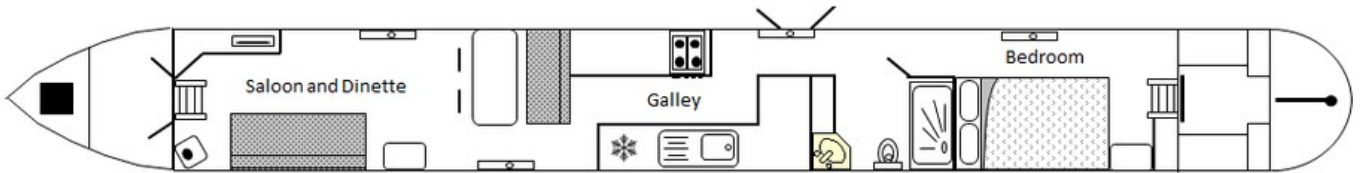

Overall length	57 feet 8 inches
Beam	6 feet 10 inches
