Anderton Marina

£62,950

A 57ft 1999 Tim Tyler/Warble Boats 4 berth traditional stern narrowboat.

Pawprints is a sleek looking boat whose immaculately presented, smart interior makes her suitable for both leisure cruising or live aboard.

Painted in a rich navy livery with cream coach-lines with a matching cratch cover over the bow, Pawprints is sure to turn heads!

Entering from the stern is the bedroom cabin. This has a fixed cross cabin double berth along with lockers and cupboards for storage.

Leading on, there is a walk through tiled bathroom with shower cubicle, wash basin, large mirror and macerator toilet.

Next is the dinette. This offers a table with bench seating which can be conveniently converted to a double berth, when required,

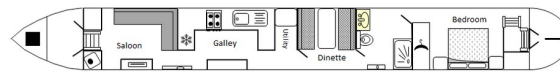

Moving on from here you pass a laundry cupboard with fitted washing machine before coming to the galley. The kitchen is fully equipped with a fridge, new microwave, sink and drainer unit, a 4 burner gas hob and integrated oven.

Finally at the bow of the boat is the saloon. This is an open space including a new sofa bed, TV and a solid fuel stove that has recently had a new chimney installed.

Steps then lead you out to the bow deck with bench style seating.

Pawprints has recently had 3 new 220amp/hr Victron AGM batteries installed.

Pawprints is sure to make a lasting impression on you! To arrange a viewing or for more information, please contact Anderton Marina on 01606 76942
