

Phoenix

Goytre Wharf

£12,500

A 23ft 1989 Viking 2 berth GRP motor cruiser.

Enjoy long days and short breaks cruising the waterways on board this good sized motor cruiser.

The cockpit is at the rear of the boat and also has seating behind the skipper's seat to accommodate guests. There is a handy cratch cover fitted over this area which acts as protection from inclement weather.

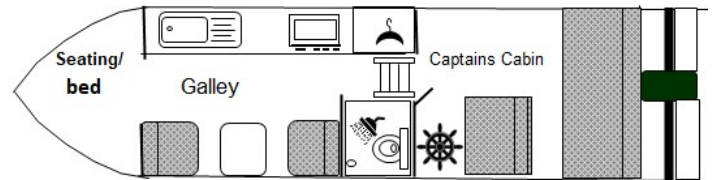

Entering the main cabin, there is a shower room with WC on the left before coming to the living area. Here there is a neat dining table and seating for two on the left, and a galley area with a stainless steel sink and drainer, oven and shoreline fridge on the right. There are also plenty of storage cupboards.

Finally there is another seating area within the bow of the boat which converts to provide a double berth.

2 solar panels are fitted to the roof, and Phoenix comes with a Boat Safety Certificate valid until 2026.

If you would like more details or to make an appointment to view, please contact Goytre Wharf on 01873 880516.
