

Ruby

Goytre Wharf £33,000

A 30ft 1992 Red Fabrications 3 berth traditional stern narrowboat

Ruby is ready for a perfect couples retreat on the Monmouthshire and Brecon canal.

Stepping into the stern cabin you will find space to your left that would accommodate a single mattress or a man-made single bed. To your right you will find some space for your cruising equipment.

You will find the control panel for the boat in the stern cabin.

Next on Ruby you will find your shower room which has a porta potti, an over head shower, a towel radiator and a square sized wash basin. There is also a port hole window and a decent size mirror.

Into the L shaped galley area there is a Thetford duplex cooker with a 4 burner gas hob, a sink, a under counter fridge, some storage for your groceries and a work surface for prepping your food.

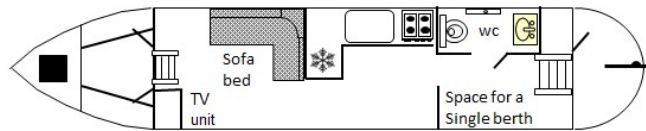

Finally, you will find a cosy saloon area where you will find a cushioned sofa that will convert into a temporary double bed on the evening.

Stepping out onto the bow you will find some seating.

Ruby has had a new Beta 14 engine and a new Eberspacher diesel heater fitted within 2024 by Goytre Wharf.
