

Snug

Hilperton Marina

£16,500

A 23ft 5ins 1995 Midway Boats 3 berth cruiser stern narrowboat.

Snug is the cutest little narrowboat we've seen for a long time! On entering the boat from the stern deck you go down some steps into an open plan layout.

There is a single seated on the left that converts into a single bed, and a multi fuel stove on the other. There is a boxed in control panel, a wall mounted shelving unit and a sideboard with hanging storage below.

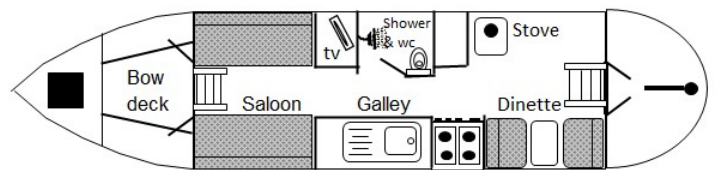

Next you will find a galley area on the left with a gas oven and hob and a sink with draining board. Underneath are storage drawers, a cupboard and a small fridge.

Opposite is the built in bathroom. This has a cassette toilet and overhead shower with tray.

At the front of the boat there are two sofas either side that can be made into a double bed. Also there are two wall mounted shelves, a side unit with drawers underneath for storage and above there is a wall mounted TV.

Double doors lead you out to the fully covered front deck area with seating ether side.
