A 58ft 1999 G&J Reeves 6 berth semi-traditional stern narrowboat.

This well-presented narrowboat has been regularly maintained and blacked as part of the BCBM narrowboat fleet.

The versatile design offers a sociable semi-traditional stern, reverse layout and flexible living/dining areas that can be converted to provide up to 6 berths.

The first cabin after entering via the stern steps is a fully equipped galley with oven and hob, under-counter fridge, sink and drainer and ample storage cupboards. A solid-fuel stove sits between this and a large dinette that converts to provide a double bed if required.

There is one permanent bedroom which is furnished with a king-sized double bed, and there are bathrooms on either side of this - one with toilet, washbasin and corner bath with overhead shower, and the other with a wc and washbasin.

A saloon is situated at the front of the boat, with tv cupboard, 2 single chairs that convert to single beds, and double doors into a covered bow with 'A' Frame and seating to both sides.

Central heating radiators feature throughout.

As a Broker, our understanding is that this vessel should have been built and correctly CE marked to satisfy the requirements of the Recreational Craft Regulations but no such proof has been provided.

You should satisfy yourself of any subsequent implications and are advised to seek further advice should you see fit as there could be implications for the future saleability or value of the vessel.
